

**Instructions for Participation and Credit**

For information on applicability and acceptance of continuing education credit for this activity, please consult your professional licensing board. This activity is designed to be completed within 1 to 1 ½ hours. Follow these steps to earn CME/CE credit:

1. Read the target audience, learning objectives, and author disclosures.
2. Successful completion of this course is required for continuing education credit and requires completion of:
  - a. All activity lessons
  - b. Pre assessment,
  - c. Post assessment
  - d. Program evaluation
3. Please read each question carefully and select the answer you believe to be correct. You must also submit a completed evaluation for your posttest and certificate request to be processed. A minimum score of 70% is required to obtain credit. If you do not pass the test, you may take the activity again.
4. You will then be prompted on how to view/print your certificate. You may print the certificate but you cannot alter it.
